

BUSINESS REOPENING RESOURCE GUIDE

MAY 21, 2020

TOWN OF BASSANO

Re-Opening Business Guide

The Town of Bassano has compiled this Resource Guide to assist local businesses with their preparations to re-open following the gradual easing of COVID-19 restrictions through the Province of Alberta Relaunch Strategy.

Please Note: The re-opening of all businesses in Alberta is subject to their compliance with the public health orders implemented through the Province of Alberta and Alberta Health Services. All businesses are responsible for ensuring that they are following the provincial orders – which are being updated frequently – and that appropriate preventive measures have been put in place prior to re-opening their doors to the public.

Should you have any questions or require clarity about the provincial strategy or restrictions, you can contact the province with questions by emailing biz.connect@gov.ab.ca.
